New Reciprocal Club Arrangement

Club Lusitano and City University Club of London

The President and General Committee are pleased to announce that Club Lusitano has entered into a reciprocity agreement with City University Club of London.

The City University Club (CUC) is a lunch club in the heart of the financial area of London. It is the ideal place for lunch or simply a drink at the bar. The Club offers a first class meal in discreet circumstances for a modest price.

Originally established in 1895 by Oxbridge graduates who wanted a lunch club in the City. The link with the universities remains, but membership is now much wider, embracing many professions.

CUC occupied its new premises in January 2018 at 42 Crutched Friars, London. These premises used to be the residence of the Spanish Ambassador in the late 18th century.

The Club is open for lunch Monday to Friday throughout the year, closing only between Christmas and the New Year. In keeping with other private members clubs the dress code is jacket and tie for men and smart dress for ladies (no jeans or trainers).

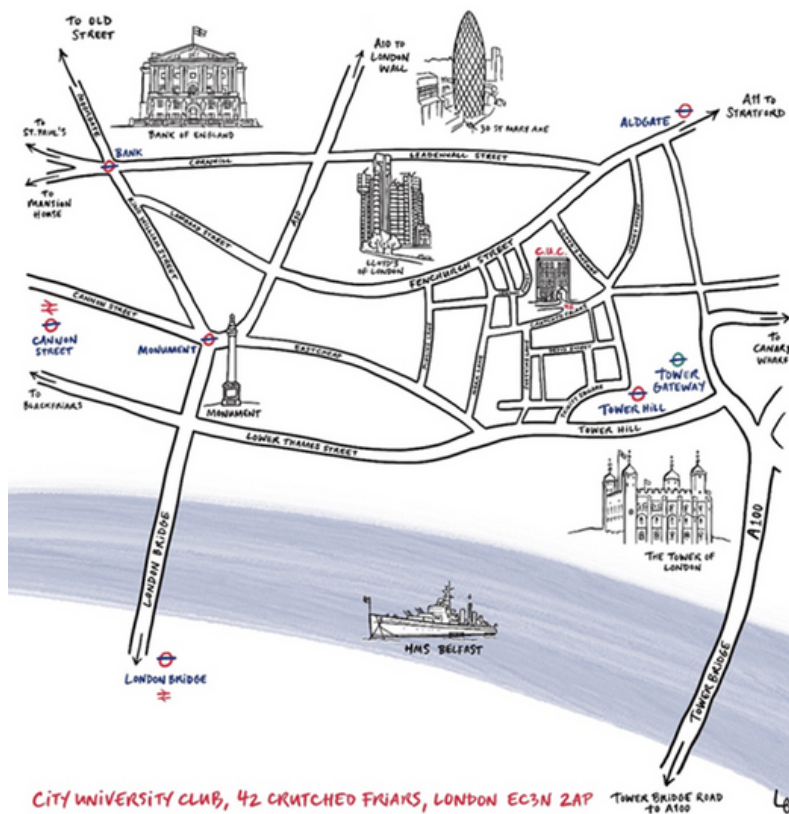

A Letter of Introduction from Club Lusitano must be presented upon arrival, which may be requested from the Club Lusitano Office. Please specify the date(s) of intended visit. Club Lusitano Membership Card should be produced upon request.
